Dearborn Heights No. 7 Schools

Are you looking for a safe, nurturing school environment for your children? If so, you may want to seriously consider the offerings of Dearborn Heights No. 7. We currently have 1,100 non-resident students attending our schools. We think that we make a difference, and obviously, so do others outside of our residential area.

As we begin to plan for the 2019-20 school year, our enrollment will be unlimited for students 9-12, with limited enrollment for grades K-8.

The registration period for grades 9-12 will be Monday, April 15 through Friday, September 6, 2019. The registration period for grades K-8 will be Monday, August 19 through Friday, September 6, 2019.

We understand the importance of pre-planning for families and for the school system. Parents should also be aware that once a non-resident student is admitted into District 7 Schools, they are entitled to stay until the student graduates from high school, pending appropriate behavior.

This brochure highlights various aspects and programs of the Dearborn Heights No. 7 School District. Please contact us if we can answer any further questions.

Respectfully yours,

Jennifer Mast

Jennifer Mast
Superintendent of Schools

We are a small, suburban district that consists of three elementary schools, one middle school and one high school.
